

A hand holding a black pen points to a color calibration chart. The chart features a grid of color patches with labels such as 'D50 Illuminant', 'D65 Illuminant', 'D50 Observer', 'D65 Observer', 'D50 Illuminant', 'D65 Illuminant', 'D50 Observer', 'D65 Observer', 'D50 Illuminant', 'D65 Illuminant', 'D50 Observer', 'D65 Observer'. The background is a blurred image of a person's hand holding a pen, with a color calibration chart and a color wheel visible. The text is overlaid in a large, white, sans-serif font.

The screenshot shows the Modular Scale website interface. On the left, there is a sidebar with the following elements:

- Modular Scale** header.
- Text: "Not sure how this calculator works? Here are some tips."
- Bases** section with a text input field containing "1em" and a "+" button.
- Ratio** section with a dropdown menu set to "1.5".
- Language tabs: "Web", "Sass", "JS".
- Footer text: "This site is built & maintained by Scott Jellum and Tim Brown. Copyright © 2010–2017 Tim Brown."
- Advertisement** for Typetura with the text "Typography that adapts to any website on any device".

The main content area displays a typographic scale for the sentence "The quick brown fox jumps over the lazy dog". The text is shown in five different sizes, each with its corresponding modular value:

- Size 1: 7.594em
- Size 2: 5.063em
- Size 3: 3.375em
- Size 4: 2.25em
- Size 5: 1.5em

This screenshot shows the Modular Scale website interface with different settings. The sidebar on the left is identical to the first screenshot, but the **Ratio** dropdown is set to "1.2".

The main content area displays the same sentence "The quick brown fox jumps over the lazy dog" in five sizes, with pixel values instead of em values:

- Size 1: 82.556px
- Size 2: 68.797px
- Size 3: 57.331px

The screenshot displays the Typescale web application interface. On the left, a sidebar contains navigation links: "New Board", "My Boards", "Bookmarks", "Likes", and "Explore". The main panel is divided into two sections. The top section, labeled "RESPONSIVE", includes controls for "Font-size" (set to 16 px), "Scale" (set to 1.200 - Minor Th...), "Min-width" (set to 767 px), and "Font-size" (set to inherit). The bottom section, labeled "BODY", includes controls for "Font" (set to Inter), "Weight" (set to 500), "Line-height" (set to 1.6), "Letter-spacing" (set to em), "Color" (set to #222222), and "Background" (set to #FFFFFF). The central area shows a preview of a landing page with the text "The quick brown fox jumps over the lazy dog" repeated in various font sizes and weights. The right sidebar contains the "Zephtor" logo, navigation links "Home" and "Features", and a large heading "Your digital transformation begins here".
